GROWTH OF CITY
Glendale's population in 1910 was 2742; in 1920 was 13,356. Per cent of increase, 393. Present population, estimated, 16,500.

THE GLENDALE EVENING NEWS

BUILDING RECORD
During 1920 the total building permits issued in the City of Glendale was $3,136,664, a national record, in proportion to population.

VOL. XVI **WEATHER—Probably Rain** GLENDALE, (LOS ANGELES POSTOFFICE), LOS ANGELES COUNTY, CAL., SATURDAY, MARCH 12, 1921 **EIGHT PAGES** 162

LOCAL POST OFFICE QUESTION TO BE INVESTIGATED

SPECIAL COMMITTEE BEHALF CHAMBER OF COMMERCE TO MAKE INQUIRY

Whether the majority of the people of Glendale desire an independent postoffice are satisfied to be served through a branch of the Los Angeles postoffice, as at present, was briefly discussed by directors of the Chamber of Commerce in session last night.

No official action was taken, for the directors are appointing various committees and among them will be a committee on postal service. The duty of this committee will be to investigate the postal service and make a report to the directors. After the report is made, it is probable the matter will be passed upon by ballot by the membership of the Chamber of Commerce.

The discussion last night developed that so far there is no positive evidence that the majority of the people desire an independent postoffice, although it was admitted that, judging from newspaper stories, there seemed to be a demand for a "divorce" from the Los Angeles system.

On the other hand, it was pointed out that, perhaps, a large number of people would be satisfied to continue receiving service through a branch, provided the efficiency was materially increased.

No Hasty Action Proposed

The directors made it evident that no hasty action was planned. The special committee is expected to make a thorough investigation into both sides—an independent postoffice and continuation of the branch with increased efficiency—and make a report to the directors, then the matter will, no doubt, be laid before the membership for an expression.

Director Owen Emery mentioned the bill recently reported out of the congressional committee on postoffices, under which Glendale is permitted to make a showing to the postmaster general and by it secure an independent postoffice and Secretary Rhoades stated that he would secure a copy of the bill and the congressional committee report in order that it might be used in the Chamber of Commerce committee's investigation.

While it was admitted that there was plenty of room for improvement in the present service, the directors, it was pointed out, do not wish to advocate a change until it is known just what may be obtained and how.

TEAM OF 4 C CLUB IS WINNER AT BASKETBALL

COUNCIL SQUAD IS BEATEN BY 18 TO 9; FINE WORK BY ORGANIZATION

The 4C club of the Central Avenue Methodist Episcopal church met the Council team of the McKinley Junior High school in basketball Thursday night and trimmed them 18 to 9.

The Council team was outweighed but in the first half had the local boys scared with a score of five to eight. The margin was increased early in the second half and they were in no danger from then on, but the Council boys put up a snappy game.

The game was the third in a series of combination of social and athletic stunts fostered by the 4C club to be continued at monthly intervals.

The club meets weekly on Thursday nights under leadership of H. L. Mitchell and is fully organized.

Its object is suggested in the club emblem, 4C, meaning Clean Character Culture club, and invites membership of young men over 16 years of age.

Wrestling, boxing, tumbling, jumping, etc., are the main athletic features, in addition to the basketball.

The more serious phases of the club work cover personal and social hygiene and clean living generally.

Club representatives in the games Thursday night were:

Allie Baker, Griffin, Dan Frahm, Mantina, Cummings, O'Sullivan, Kinney, Stout, Williams, Norm Frahm, Jackson and Wallace.

The Council representatives were: McCall, Hagan, Machade, Burger, DeMiceli, Brown, Carmichael and Grossman.

The officers of the club are Allie Baker, president; Harold Williams, vice-president; Jim Griffin, secretary-treasurer.

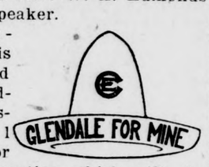
Glen And Dale Are Making Plans Behalf Big C. E. Convention

"Glen" and "Dale," the two little Spanish mascots, are very busy these days getting ready to go to Whittier to the Los Angeles County Christian Endeavor convention, March 18, 19 and 20, according to J. A. Newton, chairman of the state convention publicity committee.

At the Whittier convention the publicity committee proposes to tag every person present with a little sombrero like those illustrated herewith. There will probably be between 3,000 and 4,000 people at the Whittier meeting and state convention advertising will be pushed to the limit by local Christian Endeavorers going there, Mr. Newton said.

The transportation committee under the leadership of W. E. McCormick is making arrangements for two special Pacific Electric cars going from Glendale to Whittier direct on Friday and Saturday of the County convention.

Saturday is to be considered "Glendale's day" and on that evening the young people of this city expect to supply the choruses and special music and the Rev. W. E. Edmonds is to be the speaker.



A special booth is being prepared at which advance registrations will be made for the state convention which will be held here June 25 to 29. At a recent state executive meeting of the California Christian Endeavor Union, which was held in Oakland, Glendale came in for more than her share of publicity, according to Mr. Newton. For while the slogan going all over the state is "June 25 and 29, Glendale for Mine," the Endeavorers in Alameda county have adopted a very clever line which says, "Glendale Without Fail."

Diamond Robbery Is Solved; Jewels Found Hidden in Flower Pot

The great diamond robbery has been solved.

Friday morning Mrs. Marie Lyon of 806 South Maryland avenue reported to the police that a diamond ring worth $300 and a diamond brooch valued at $600 had been stolen.

Late yesterday afternoon Mrs. Lyon informed the police that she had found the jewels hidden in a flower pot on the porch.

No other information is given on the police report.

Loses His Goat

A. W. Johnston of 418 East Elk avenue reported to the police today that he had "lost his goat."

It was a fresh nanny, too.

That's likely the reason it was stolen. However, it is worth $100 to Mr. Johnston, it being a white angora. He would like very much if the officers would aid in its recovery.

Not Superstitious

Students at Glendale union high school evidently are not superstitious. Which they should not be.

Nevertheless the mascot around the building is a coal black cat that wanders across the path of about everyone who visits the building.

Nice cat, anyway, and while the boys take great delight in teasing it, maybe, the girls lavish their affection toward it by seeing it is well fed.

Margery Ruth M'Coy Funeral On Monday

Funeral services for Margery Ruth McCoy, only daughter of Mr. and Mrs. James W. McCoy, 218 North Maryland avenue, will be held Monday morning at 10 o'clock from the Little Church of the Flowers, the Rev. C. W. Crist of the First Methodist church officiating. Interment will be in Forest Lawn. Pulliam & Kiefer have charge of the arrangements.

East Broadway Club Meets Monday Night

The East Broadway Welfare association will meet Monday night in the auditorium of the Broadway school to discuss the proposed city charter and bond issues to be voted upon at the coming municipal election on March 29. The Sycamore canyon road improvement also will be considered with likely revival of the projected paving.

SPANISH MUSIC IS WELL FEATURED UPON PROGRAM

MISS VIOLA YORBA PRESENTS PLEASING PICTURE IN ATTRACTIVE COSTUME

The music section of the Tuesday Afternoon club, of which Mrs. Charles Marlenee is curator, met yesterday afternoon at the home of Mrs. Walter Jones, 430 West Vine street.

The program for the day was of Spanish music. A most interesting and truly wonderful paper on "Spanish Composers and Music" was read by Mrs. Alexander Mitchell.

Mrs. Frank Arnold, accompanied by Mrs. Leon Hagood at the piano, sang "Gypsy Maiden" (H. Parker) and "Marie, Marie" (Eduardo di Cupua). Mrs. Arthur Dibbern played two piano solos, "Spanish Dance" (Moreitz Moskowsk) and "Prelude in C Sharp Minor" (Raschinoff).

Dressed in Spanish Costume

Miss Viola Yorba contributed some very charming vocal solos. She was dressed in Spanish costume, including a most beautiful embroidered shawl. Her numbers were "Clarelitos" (Esticoy J. Valvenele), "La Paloma" (Yradiar) and "Hasta Manana" (M. H. Sturgess and W. P. Black).

Mrs. Jones was assisted by Mrs. George Herald and Mrs. Bert Ward. Decorations were of marigolds and ferns. Refreshments were served at the close of a most enjoyable afternoon.

The music section feels very grateful to Miss Yorba, who so kindly contributed her talents to the success of the program.

Prosperity Contest Will Close Tonight

At 6 o'clock tonight the Prosperity Week contest conducted by The Glendale Evening News will close.

The many letters submitted to this paper telling of "Glendale's Prosperity" will be placed in the hands of the judges and an announcement of the prize winners will be made at the earliest date possible next week.

On account of the great number of letters received, it will be impossible to publish all of them, but many are being selected from day to day to give homeseekers a varied idea of why Glendale is prosperous.

C. A. Brownell, James M. Rhoades and W. B. Davis are the men named as judges and they alone will decide the three best letters. All are comparative newcomers in Glendale, but are deeply interested in the community and heartily in accord with the prosperity campaign.

The many people who have their letters written are urged to hurry them in tonight so that the greatest number of views possible will be on file. It might be stated that a wealth of information is being obtained from the facts set forth by contestants, which alone makes the contest well worth while.

The publicity afforded Glendale through this means also has been excellent and other towns are adopting similar prosperity campaigns.

Watch The Glendale Evening News for the announcement of the $50 prize winners.

Mrs. Silas W. Bercaw Is Taken By Death

Mrs. Silas W. Bercaw, aged 79 years, passed away yesterday afternoon at the family residence, 1328 San Fernando Road. Mrs. Bercaw was a pioneer of Glendale, formerly residing at Wilson and Adams street some thirty years. She leaves a sister residing in Ohio, five sons, one daughter, fourteen grand-children and two great-grandchildren. The children are Harry P. Bercaw of Gary, Indiana; George W. Bercaw of Glendale, Arthur W. Bercaw of Whittier, Edward H. Bercaw and Ora W. Bercaw of Saugus, Emma J. Bercaw of Irvine. Mrs. Bercaw was a member of the W. R. C. Interment will be in the family lot at Santa Ana beside her husband, who passed away three years ago.

Pioneer Resident Of City Is Called

Word was received this morning of the death of one of the old-time residents of Glendale, Mrs. Hezmalhalch, who passed away at the home of her daughter, Mrs. Talbott, at Monrovia. She leaves a husband and son, Charles Hezmalhalch, a resident of Glendale.

CALL AMBASSADOR TO BERLIN

PARIS, March 8—German Ambassador Mayer was summoned to Berlin today. It was believed he was being called home in connection with the allied advance into Germany.

LODGE OFFICER IS GUEST OF HONOR AT GATHERING

ONE HUNDRED MEMBERS O. E. S. CHAPTER WELCOME DISTRICT DEPUTY AT BANQUET

One hundred members and friends of Glen Eyrie Chapter, O. E. S., No. 237, attended the banquet given in the Masonic Temple last night in honor of Mrs. Anna Barcla, district deputy worthy matron, who paid her official visit to the chapter.

Bouquets of pink and white sweet peas adorned the tables. Vari-colored floor lamps were placed about the banquet room. The delicious four-course dinner was served by young girls wearing crepe paper costumes of blue, yellow, white, green and red, the colors of the star points. Place cards decorated with California poppies marked the places for the guests.

After the banquet, the members adjourned to the lodge room, where the regular session was held, lasting until after 11 o'clock.

Mrs. Orma V. Naudain, worthy matron, and Mrs. Fannie Parke, associate matron, assisted by the other officers of the chapter, had charge of the evening.

Mrs. Naudain, on behalf of Glen Eyrie chapter, presented Mrs. Barcla with the seventh installment of the gift which is being made her by the chapters in this district, two sets of fancy glasses.

BIRD LECTURE BY ALFRED COOKMAN INSTRUCTIVE

WEST GLENDALE CHURCH IS FILLED TO HEAR FINE PROGRAM PRESENTED

A full auditorium welcomed Professor Alfred Cookman of Glendale Union High school at the West Glendale Methodist Episcopal church last night when he presented his lecture on "The Courtship of Birds," which was beautifully illustrated with specimens, their nests and eggs. He has lectured at the Ebell Club of Los Angeles, Long Beach and in Pasadena. He has appeared before the Masons of Long Beach, San Pedro and Riverside and in many of our southern California cities before the schools and garden societies. Professor Cookman is a delightful speaker and his lectures are always received with enthusiastic interest.

Lecture Is Interesting

The lecture included descriptions of the love-antics and nesting habits of the Puffin, the Murre, the Road Runner, the Anna humming bird, the Phalarope, the hawk, the owl, gull, oriole, linnet, blackbird, etc. The lecture was closed with a charming description of the Western Sandpiper on the sea beach at ebb tide.

The remainder of the program consisted of several beautiful selections by the Griffin orchestra of Los Angeles and the Euclid quartette of Boyle Heights. Mrs. James B. Adams, Jr., and Miss F. Viola Fowler gave readings which received hearty applause.

Sewerage Petitions Will Be Circulated

Petitions will be ready Monday for the signatures of property owners requesting that the city start proceedings for the installation of a sewer system in the six blocks of Glendale's business section bounded by Colorado boulevard on the south, Wilson avenue on the north, Orange street on the west and Maryland avenue on the east.

This work will consist largely of 10-inch mains laid at a depth to take care of sewage from basements on all lots in the district except those fronting on the west side of Orange street.

The estimated cost of the improvement, as furnished by City Engineer C. L. Hill is $38,040.

The piping system will be of standard size and construction and will form a part of the ultimate sewer system.

Disposal will be by the means of septic tanks and the effluent from these tanks temporarily will be taken care of here by cesspools or some other method of underground drainage until such a time as the district may be attached to some general sewage disposal system, according to City Manager T. W. Watson.

Today's World News In Brief

(Special Service to Glendale Evening News)

ALIEN PROPERTY CUSTODIAN IS NAMED BY HARDING

WASHINGTON, March 12.—Thomas W. Miller of Delaware has been named alien property custodian, it was announced at the White House today.

TEN MILLION DOLLARS IS REPORTED LOSS BY FIRE

SHANGHAI, March 11.—Ten million dollars' damage was done here today when fire which burned for twenty-four hours destroyed six warehouses filled with silk.

VOTE OF CONFIDENCE GIVEN JAPANESE GOVERNMENT

TOKIO, March 11.—What amounted to a formal vote of confidence in the government was given today when the peers defeated the resolution impeaching the cabinet by a vote of 164 to 126. The resolution had been introduced by 115 peers and was based on alleged irregularities in the department of education.

ANTI-BOLSHEVIK REVOLUTION SPREADS, IS REPORTED

HELSINGFORS, March 12.—The anti-bolshevik revolution has spread to Minsk, 450 miles west and south of Moscow, according to advices received here. Fragmentary dispatches indicated that bitter fighting was under way between the rebels and soviet forces for control of the city. Street fighting also was reported in Kieff, in Ukrainia, 500 miles southwest of Moscow. Petrograd was said to be under terrific bombardment from the anti-bolshevik artillery in Kronstadt and Krasnoyagorka, the latter stronghold having been taken by the rebels.

HEAVY STOCK DECLINE CONTINUES IN N. Y. MARKET

NEW YORK, March 12.—The sensational decline on the New York stock exchange, which started yesterday, continued today. Bears, conducting what appeared to be a well planned raid, drove prices down still further as they continued selling through the first hour. Certain daring Wall Street professionals were said to be staging the raid. Mexican Petroleum hit its lowest level for three years, while Baldwin, Crucible and Sears Roebuck also made new lows. Steel common made a new low for the year at 77 7-8. Norfolk and Western at 93 touched a new low. General Asphalt, opening off 1-4 at 50, dropped to 48 3-4.

SPRINGFIELD QUIET FOLLOWING A NIGHT OF RIOTS

SPRINGFIELD, Ohio, March 12.—With state troops, city and special police and deputy sheriffs in command of the situation, Springfield was quiet this morning following a night of disorder as a result of race feeling. Patrolman Joseph Ryan and Shirley Shafer are in hospitals. Ryan was shot through the neck and right hand by a negro whom he attempted to disarm. His assailant escaped. Shafer was shot through the thigh by policemen, who exchanged several shots with a crowd of negroes in Yellow Springs street. Thirty men were in jail to answer various charges in connection with the rioting. They were rounded up last night by police and deputy sheriffs.

PACKERS AND EMPLOYES FAIL TO REACH AGREEMENT

CHICAGO, March 12.—Packers and their employes today apparently were still a long ways from reaching an amicable basis for settlement of their wage and working conditions dispute. The appeal of Secretary of Labor Davis to the "big five" packers and to the men to arbitrate their difficulties, met with little encouragement. The men, unofficially, took the attitude that they would be willing to submit the points of disagreement to arbitration provided wages and working conditions remain unchanged while the arbitration is in progress. Packers let it be known unofficially that the cuts in wages and changes in the hours of work would be effective on Monday without alteration.

FOREIGN POLICY OF NEW PRESIDENT IS BEING SHAPED

WASHINGTON, March 12.—President Harding's foreign policy is being shaped so as to avoid any action that might be construed as siding with Germany against the allies. The president and Secretary of State Hughes are believed to have adopted this policy—the first phase of the new American policy to be defined—because of the present international situation. They realize that this country cannot afford a sudden break with its allies of the late war which would embarrass them in dealing with Germany, still the technical enemy of the United States. The first step in line with this policy was instructions to Major General Henry T. Allen, commanding the American army of occupation in Germany to abide by the decisions of the inter-allied Rhineland commission in the establishment of a customs line along the Rhine to force Germany to meet reparations demands.

RAILROAD HEADS AND EMPLOYES PLAN CONFERENCE

CHICAGO, March 12.—All mid-western railroads will hold conferences with their unskilled workers within the next ninety days to discuss wage reductions. Railroad executives are confident that the men will accept the cuts, realizing that they are warranted by present conditions. They will be afraid to refuse to accept some reductions because of the large number of unemployed workers, in the opinion of the railroad managers. Each road will deal with its own men separately. In case the men do not accept the reductions, appeal will be taken to the railroad labor board for relief. The board has refused to act in similar cases previously because the railroads and the men have made no effort to get together. The board has power to act, its members hold, only when the men and employers have attempted to reach a settlement and a dispute has arisen.

BLAMES "CHICKENS"

DENVER—Leo Hoover stayed in bed until 2 o'clock every afternoon because the "chickens aren't on the street till then," his wife testified. She was granted a divorce to permit Leo to flutter after the chickens.

POLICE ARREST POLICE

TOLEDO, Ohio—Police raided a house in a burglar hunt and arrested two men after a battle. When the lights flashed on it was found they had arrested two of their own number.

SEIZE 800 BOGUS COINS

HOUSTON, Tex. — A complete counterfeiting outfit, including more than 800 counterfeit half dollars, was seized here by federal officials following the arrest of an aged man on the charge of counterfeiting.

LEPER COLONY THEIR GOAL

NEW YORK—Intending to pass seven years in the leper colony at Java, seven Salvation Army missionaries left for San Francisco to sail for the Dutch East Indies. The party includes six women and one man.

HALF MILLION MARK IN BUILDING TO BE EXCEEDED

GLENDALE WILL GO OVER TOP ON MONDAY, IS BELIEVED; RECENT PERMITS

Monday will see Glendale go over the half million dollar mark in building this year. Had the building inspector's office remained open this afternoon, there is no question but what $500,000 would have been reached.

At noon the total for the first twelve days of March was $150,835 and the total for the year so far $492,296. With more than $100,000 in other structures in the hands of architects, it is expected that the month will show a quarter of a million dollars in building permits.

Permits for Last 48 Hours

The following building permits were issued during the past forty-eight hours:

Nathan Rigdon, 7-room residence, 634 North Central	$6,500
J. E. Keeley, 5-room residence, 405 East Lomita	3,800
J. E. Stewart, 6-room residence, 341 Ivy	3,500
J. A. R. Monroe, 5-room residence, 621 West California	3,350
M. J. Edwards, 4-room residence, 525 West Myrtle	3,000
E. M. Anderson, 3-room residence, 119 North Olive	1,500
C. C. Curnett, 4-room residence, 411 South Pacific	1,000
Mrs. Otto Nelson, addition to residence, 425 West Harvard	300
Alice M. Ewart, 2 rooms, 1137 East Lexington	250
D. G. Cornalius, storeroom, 1051 North San Fernando	150

LOCAL LEGION WILL HAVE BASKETBALL TEAM ACTIVE

SQUAD WILL TRAIN IN HIGH SCHOOL GYMNASIUM; MATCH BOXERS FOR FRIDAY

A basketball team will soon be in training to represent the Glendale Post, No. 127, American Legion. The high school gymnasium was accepted for every Wednesday night and two squads are asked to come out at 7 o'clock on that night of next week.

At the regular weekly meeting last night the Legionaires heard several interesting reports and named a program committee, consisting of Gordon Clayton, Vincent Salmacia, Clarence Edwards and Gilbert Cowan, to put the "pep" into the entertainments.

A boxing match and visit from State Commander Buron Fitts are planned for next Friday night. Tonight a dance is an event of interest and at any time members of the Legion will find opportunity to play pool or enjoy the reading room at headquarters which are kept open during the day and evening.

Eddie Moniot and Clarence Edwards staged a two-round sparring match last night for the edification (?) of the boys present. Due to the slippery dance floor, no telling blows were struck.

Building Repaired At Order Of City

On orders from the city building inspector's office, the Gabaig block in South Glendale at 1502 South San Fernando road is undergoing repairs. The two-story brick structure has settled to such an extent that a plate glass window in one of the storerooms was smashed. While the building is being braced up, all assemblages in the hall above have been ordered discontinued.

Two-Story Building On E. Broadway Sold

The two-story brick building at 214-216 East Broadway has been sold, it is announced, by H. Gansert to W. M. Brown of this city. The building has two stores on the first floor and four flats on the second floor. The deal was handled by O. L. Zook of the Brand Boulevard Realty company. Mr. Brown has made a number of investments in Glendale property.

NEW YORK—Prohibition agents discovered a "whiskey-while-you-wait" emporium. The various ingredients were mixed only as customers made known their wants.

102 East Broadway

FOR SALE—Six room modern bungalow and garage, lot 50x125. Three rooms rented unfurnished, $35 per month. Fine location. This is a bargain. Owner going east. Cash or terms. 449 West Vine street.

FOR SALE—New three room cottage on half acre lot with fruit trees; near the foothills of Glendale. Price $2600. Easy terms. Phone Glendale 1646-J or call 1425 East California avenue.

SEE IT SUNDAY! 815 South Glendale avenue.

AN OFFER EXTRAORDINARY

We are going to offer to the public beginning Saturday morning, one of the best opportunities to secure a modern 6 room bungalow, $2000 below value, that has ever been offered in Glendale. Will not be shown before Saturday in order to give everybody a chance to have a look in. Too late for the auctioneer as owner is leaving for the east at once, so we are going to sell at less than it will bring at auction. Now do not blame anyone but yourself if you do not get it.

Hart Realty Co., 120 North Brand

FOR SALE—New 4 room and bath, screen porch, breakfast nook, bookcase and writing desk, buffet; lot 50x135. Price $3500, $1500 down. Glendale 281-W.

FOR SALE—My new, cozy garage home on big lot 50x166. All kinds of fruit and berries. Fine neighborhood, beautiful mountain view; close to car line. All new furniture. Step right in and save that big rent. Come and look it over, at 449 Burchett street.

HOMES We have them from $5000 to $40,000. A good home of six rooms. Priced right. Modern, clean and vacant.

EZRA F. PARKER, 117 S. Brand boulevard. Telephone Glendale 40.

GLENDALE'S PROSPERITY

is also due to the fact that the more substantial

GLENDALE HOMES

are exceptionally well built; among the many we own one of 7 rooms, just completed, at Lexington, just west of Central. About Wednesday we will have green awnings placed over the French doors and windows—you will be pleased with the effect—we are proud to show you this home; you will be surprised, agreeably, with the interior scheme of things.

Some of Glendale's finest ladies have placed their stamp of approval on this home. Will you also? May we show it to you?

Glendale Homes Co.
203 North Brand Open Sundays

A Home for $1150

CAUSE AND EFFECT

"How do these grouches get wives?"

"Many of them were not grouches until they did."

Locals And Personals

Henry Miller, who is employed at Mojave, is spending the week-end at his home, 457 Milford street.

Nebraska picnic has been postponed from today to Thursday, March 17, and will be held at Sycamore Grove.

Mr. and Mrs. Lawrence Underwood of 212 South Everett street were the guests today of Leslie Ammon of Redondo Beach.

Miss Sue Thomas has been confined to her home, 304 North Kenwood street, for several days on account of illness.

Chautauqua county, New York, picnic has been postponed from today to Saturday, March 19, will be held at Sycamore Grove.

Harry L. Howe of Coachella is spending the week-end with his family, who are staying with Mrs. Howe's mother, Mrs. Louise M. Blackman, of 450 Burchett street.

The Art Club of the Glendale Union High school, under the direction of Miss Irene Muller, enjoyed a sketching trip and picnic party at the home of Miss Inez Harrison, Sixth and Grand View avenue, yesterday.

Mrs. Henry Johnston of 111 North Everett street entertained at dinner Thursday in honor of Mrs. John G. Ferguson and daughter of Dunsmuir, California. Other guests were Dr. and Mrs. A. L. Bryant and Mrs. E. U. Emery.

Otto J. Wolfram, who is employed in the printing department of the Glendale Evening News and has been living at Venice, has started the construction of a home on his lot at 332 West Lomita avenue preparatory to moving here.

Mrs. E. W. Kinney and daughter, Mrs. A. Leighton, of 123 West Elk avenue were the guests today of Mrs. H. Lee of Bronson avenue, Los Angeles, at luncheon and at the Philharmonic concert where they heard Anna Case, noted singer.

Mr. and Mrs. J. M. Swaner of 452 Milford street have as their guests Mr. and Mrs. H. C. Kinser and two children, who motored down yesterday from Taft. They will be here for over the week-end. Mr. and Mrs. Kinser formerly were residents of Glendale.

S. W. Christy of 373 West Wilson avenue and son, Clark T. Christy, who have been at Downey building a garage, preparatory to building a residence, are home for the week-end. Mrs. Clark Christy is making her home with her parents, Mr. and Mrs. C. P. Brice of 304 North Kenwood until their residence is completed.

Mr. and Mrs. B. F. Bourne of 313 East Elk avenue attended the Eastern Star meeting at Sawtelle Thursday night, at which time that organization entertained the Worthy Grand Matron of the State of California. The banquet given before the regular lodge meeting was most unique. Tables were arranged to form a star.

Mr. and Mrs. Peter Hanson of 711 East Orange Grove avenue had as their guests Tuesday night, Mr. and Mrs. Tuck of Beloit, Wisconsin, Mr. and Mrs. Prindle of Eagle Rock and Mrs. R. G. Whitney of Glendale. The evening was spent at cards and games. Miss Genevieve Olds of Gardena was a recent visitor at the home of Mr. and Mrs. Hanson.

Mr. and Mrs. George C. Hastings of 319 West Lexington Drive are entertaining at dinner this evening in honor of friends from Westfield, Massachusetts, the former home town of Mr. and Mrs. Hastings. The guests will be Mr. and Mrs. Willard Stearns, Dr. and Mrs. W. V. Whitney and Mr. and Mrs. Taylor, all of whom have been spending the winter in California and are leaving for the east next Tuesday.

Mr. and Mrs. L. T. Rowley were entertained in Los Angeles Thursday night by the former's brother, Dr. Q. J. Rowley, at a dinner given in honor of former schoolmates at the University of Minnesota. Other guests were Dr. Leslie King, for 33 years a missionary in India for the Methodist church, and Prof. Fred Bardwell, for many years occupying the chair of chemistry at Boston Institute of Technology.

More Homes Nearing Completion In City

Moves and new meter installations, indicating residences nearing completion, as shown by requests received at the public service department yesterday, were:

P. W. Smith, 735 East Wilson to 719 East Wilson; E. A. Kraft, 506 West Elk avenue to 1011 North Brand boulevard; Mrs. I. A. McLaren, 313 East Wilson avenue to 224 East Chestnut street. Peter Paulson, 202 East Wilson avenue; W. E. Saylor, 705 North Louise street; John A. Fisher, 621 West Alexander street; F. W. Paap, 1416 East California street; H. McDonald, 1213 East Colorado street; P. W. Miller, 630 West Doran street; Hall and Thompson, 501 West Alexander street; C. P. Clark, 405 West Wilson avenue.

Thirty vessels aggregating 180,000 tons have been ordered withdrawn from service by the United States Shipping Board.

PHONE TOLL PROBE TO BE ATTENDED BY OFFICIALS

DIRECTORS OF C. OF C. TO HAVE COMMITTEEMEN AT HEARING MARCH 17

Active interest is being displayed by the directors of the Chamber of Commerce in the question of telephone tolls between the city of Glendale and the city of Los Angeles.

At the meeting of the board of directors of the Chamber of Commerce last night, it was announced that the telephone tolls hearing was set for March 17 before the State Railroad Commission in Los Angeles, and it was decided that the special committee representing the Chamber of Commerce in public utility matters, tentatively appointed but not yet ready to be announced because of the fact that the consent of the committeemen to serve has not yet been secured, should be informed of the hearing.

If the special committee on public utilities, as proposed by the directors, consents to serve actively, the committeemen will be formally advised of the hearing before the state board and authorized to represent the Chamber of Commerce.

The Board of City Trustees of Glendale, at its meeting last Thursday night, authorized Hartley Shaw, city attorney, to represent the city at the hearing and also authorized him to employ an engineer to assist him in presenting the city's case.

To Work in Conjunction

At the meeting of the directors of the Chamber of Commerce last night, it was proposed that the chamber's special committee on public utilities act in conjunction with the city's official representatives at the hearing.

Owen Emery, one of the directors of the Chamber of Commerce, stated that he intended to be present at the hearing.

At a previous meeting of the directors of the Chamber of Commerce, representatives of the Pacific Telephone & Telegraph Company were present and, in urging that the tolls remain, stated, in brief, that if the tolls were taken off, the cost of the telephone service in Glendale would be materially increased, predicting that the phones here would cost as much if not more than now being paid by Los Angeles users.

It is stated that a number of other surrounding cities now paying tolls will have representatives at the hearing on March 17.

Southern California

Plan Minstrel Show

The Women's Twentieth Century club of Eagle Rock is planning a minstrel show to be held March 19. There will be a 14-piece orchestra augment the usual minstrel retinue. Last week the Community Players there presented "The Man on the Box."

Consider Bond Issues

The Los Angeles Chamber of Commerce is considering bond issues at the forthcoming city election there in much the same manner as Glendale tackled its problem. However, the difference is that of millions of dollars against hundreds of thousands here. Harbor bonds, hydro-electric bonds, money for a new city hall, fire apparatus, library and other public institutions were discussed at the Los Angeles board meeting yesterday.

City Trustees Object

Eagle Rock city trustees put their foot down on the plan to have a gasoline service station, lunch stand and waiting room in the center of Colorado boulevard at the end of the Glendale and Eagle Rock street car line. No more galvanized buildings can be erected in the business setion there any more.

Pays Record Price

One thousand dollars a front foot was paid for Hollywood boulevard property yesterday when Dr. Edwin O. Palmer purchased 100-foot frontage at the corner of Vine street from the Jacob Stern holdings for $100,000. He intends to erect a Class A office structure in the near future. Glendale should take notice of what ten years will mean here, if Hollywood is any criterion.

Local People Attend

When the sororities stage a show you can expect something. Those who saw the Pan-Hellenic vaudeville in Los Angeles last night say they saw all they expected. A large number of Glendale people attended the affair which was more or less of a vaudeville.

Poultrymen to Meet

Poultrymen of the county meet at Ganesha park, Pomona, April 5, according to invitations being sent out. A basket lunch will be the order at noon and the Pomona Valley Poultrymen's association is planning a program that will keep chicken-raisers and egg producers interested the whole day long.

County Division Up

San Gabriel Valley newspapers are discussing county division. They would take the towns of Pomona, Puente, Covina, El Monte, Glendora, Baldwin Park and maybe Monrovia from Los Angeles' present bounds.

Aldermen Visit Here

The thirteen Chicago aldermen who are visiting in southern California inspecting the street car service, evidently took a little diversion from their duties and went motoring yesterday afternoon. At any rate they were in Glendale to see its prosperity about 4 o'clock yesterday afternoon. Today they are visiting Catalina Island.

THE LONGEST WAY ROUND

Patsy—"Mom, won't yer gimme candy, now?"

Mrs. Casey—"Didn't Oi tell ye Oi wouldn' give ye anny at all if ye didn't kape still?"

"Yes'm, but——"

"Well, the longer ye kape still the sooner ye'll get it."

Isinglass is made of the dried swimming bladder of several varieties of fish. The best quality of isinglass comes from bladders that are dried in the rays of the sun. The final operation consists of rolling the prepared bladder between two polished iron rollers.

To protect themselves and their homes against robbers the women of four Pittsburg suburbs have organized a "pistol club." A former major of the United States Army gave the women their first lesson in the use of firearms.

PROBABLY

One-half of the families in the United States depend upon the daily wages of bread-winners. They are only a few days or weeks distant from destitution when the bread-winner dies. Their only relief must come from somebody's charity or from life insurance. Even families that seem to be well provided for in this world's goods are really in no position to stand a long siege when the bread-winner's fine salary stops, for the small savings that are laid by are quickly dissipated. The surest and strongest friend, when death terminates incomes, is Life Insurance. Fix this into a long-endowment with an optional settlement and you have made a provision which can be made in no other way. THERE IS NO SUBSTITUTE.

Dr. Harry V. Brown Is Candidate For High School Board

Dr. Harry V. Brown, 144 North Orange street, who has been indorsed by the Federated Brotherhood as a candidate for Glendale union high school trustee, was born in Iowa, March 21, 1875. He was one of nine children of a veteran of the civil war. The father was twice elected auditor of the state of Iowa, later conducting a newspaper. Dr. Brown gave ten years of his early life to newspaper work with his father.

At Drake university in Iowa and later in Bennett Medical college, Chicago, Dr. Brown received his education. After five years' practice in Iowa, he came to Los Angeles where he practiced for ten years. For the past four years he has been a resident of Glendale.

In 1913 Dr. Brown became a member of the present California board of medical examiners and has been twice reappointed. In the world war he served as captain in the medical corps.

Dr. Brown is active in fraternal, musical, church and Legion circles and he has a daughter in the high school graduating class, another in the Intermediate school and a third in the grammar grades.

COMMITTEES BEING CHOSEN TO WORK BEHALF CITY

LIST TO BE ANNOUNCED WHEN THOSE SELECTED AGREE TO BE ACTIVE WORKERS

Directors of the Chamber of Commerce, with C. C. Cooper, president of the organization, presiding, met last night and, among other matters, considered the report submitted by a committee named to select a number of special committees to carry on the program of work recently outlined.

The committee suggested, in a written report, a number of special committees and named members of the Chamber of Commerce to serve. The directors went over each special committee carefully and, in some of instances, added additional names, so as to make the working bodies as representative as possible.

The list of committees is not yet ready to be announced, however, for the reason that Secretary Rhoades of the Chamber of Commerce first intends to notify each committeeman of his appointment and secure his promise to work. It is the desire of the directors to appoint only those who will devote time to the committee work and so the list will not be ready for announcement until the secretary learns from each prospective committeeman that he will act.

Other Workers Required

It was pointed out by Secretary Rhoades that the list of committees about to be announced does not constitute all of the workers to be selected by the directors. Special committees will be named from time to time from the membership rolls as the need develops.

Some of the committees about to be announced may act only a short time and then, after completing their duties, be discharged. Under the Chamber of Commerce plan of operation, committees of long standing will be avoided as much as possible. It is the plan to name a committee for a specific purpose and then, when that particular work is accomplished, the committee will be discharged from duty.

In this way, it is pointed out, many members of the organization will be called upon from time to time for service and expected to respond and share in the work and responsibility of the organization.

It is probable the first list of committees will be ready for announcement the first of next week.

LOCAL ROMANCE IN PHOTOPLAY

'TWO KINDS OF LOVE' FEATURE FILM AT GLENDALE THEATRE TODAY; '813' TOMORROW

"Two Kinds of Love" is the feature film presented at the Glendale Theatre today. It abounds with local color which is dear to all Californians, being a story of the present resulting from the past. It is a romance of San Gabriel canyon and should interest all of those who are interested in the history of the Bear state.

In addition three other reels are offered which should attract. They are International News, Urban Movie Chats and "Vamps and Scamps" which is a hilarious comedy.

Sunday and Monday's feature will be the Arsene Lupin story, "813," a Robertson-Cole special, starring Wedgewood Nowell. "Fresh From the Farm" is the comedy on the bill while Pathe News and Topics of the Day round out the program.

Madame Clement's regular Sunday organ recital will be from 6:30 to 7:15 hereafter instead of the afternoon. No extra admission will be charged, the musical and photoplay programs being combined in one stellar performance each Sunday evening.

Manager W. A. Howe expects that this change in program will attract a larger number to the organ recital.

Rainfall Record Is 8.90 Inches To Date

Rainfall, which is prevalent along the entire Pacific coast, totaled .71 inches up to noon today, according to H. E. Bartlett who keeps a local record. The seasons total is now 9.03 inches as against 11.87 of last year.

Very many complimentary remarks are heard in West and North Glendale over Chris Orff's neat and up-to-date barber shop at Doran street and Columbus avenue. Friends are flocking in to see Chris and have a good old time josh.—Adv.

Clubs vs. Homes

Men have changed their ideas about woman's clubs. They teach the modern housewife so much of the finer art of living, so much that is of value to the home.

And they are teaching, too, as men have long contended, that much of the drudgery woman once thought essential to thrifty home management isn't necessary at all.

There's the family washing, for instance. The efficient home maker has learned the true economy of having it done the modern, scientific way. She sends it to our big sunlit laundry and has it done by specialists.

Telephone our driver to call for your bundle.

Glendale 1630 **Glendale Laundry**

WELDING SKILL TO SCIENCE

is what we do when you give us a job of welding. Science has discovered what oxygen and acetylene gas can accomplish on the hardest tempered steel. It remains for us to apply our skill to accomplish desired results.

Quartet, "Saviour, When Night Involves the Sky" (Shelley.) Postlude, "Allegro Maestoso" (Rossini.)

WOMAN NATURALIZED

SAN FRANCISCO—The first naturalization here of a woman under the new seamen's act was conducted when Mrs. Frances Power, stewardess on the trans-Pacific steamer Ventura, was admitted to citizenship. She is from Canada.

The act provides that anyone eligible to citizenship may be naturalized after serving three years on a ship operating continuously under the American flag.

Japan Women Tackle John J. Barleycorn

TOKYO — John Barleycorn, or whatever may be the Japanese equivalent of this gentleman, is about to be tackled by the fair ladies of Nippon. The Modern True Women's association, an organization of Japanese women, has decided to take steps to have drinking of sake and other intoxicants reduced. They have decided to approach their goal by gradual steps, and the first petition, which they are about to present to the Diet, calls for temperance and not prohibition, which would not have the slightest chance of success at present. The petition contains the following provisions:

Intoxicants should not be sold except between 4 p. m. and 9 a. m.

Intoxicants should not be sold to minors.

More than three go (a small measure) must not be sold to one person at one time.

The sale of alcohol should be prohibited on election days.

GOVERNMENT HELD LIABLE

WASHINGTON — The government is liable for interest on damages awarded in condemnation proceedings from the date of occupancy of the premises at issue, the supreme court held. Two decisions on test cases were affirmed. One involved an award of $100,000. The interest at 6 per cent for twenty years would be 120 per cent of the award.

POLITICAL POWERS OF JAKE HAMON TOLD AT TRIAL

WITNESS RELATES TALK HE HAD WITH LEADER JUST BEFORE HE DIED

COURT HOUSE, ARDMORE, Okla., March 12.—The dead Jake Hamon's political power was revealed today in the trial of Clara Smith Hamon, his secretary-protege, charged with his murder.

Jake Hamon's pal, W. D. Nichols, former police chief of Ardmore and now in the oil business, in testifying for the state, said:

"I was with Jake just before he died. Hamon and I talked politics. I think he was the republican leader of the United States. He told me he would die and begged me to go straight to Warren Harding and get some of his friends taken care of with political jobs."

Rev. T. J. Irwin, First Presbyterian church of Lawton, Hamon's minister, was called to the stand.

He said Jake Hamon told him the following before he died:

"I have been living in adultery with Clara Smith. I am sorry. We were both equally guilty."

McLean fought hard to keep Rev. Irwin's testimony out. Objections were continually made by defense counsel.

By CARL VICTOR LITTLE
United Press Staff Correspondent

COURT HOUSE, ARDMORE, Okla., March 12.—Branding of Clara Smith Hamon as an adventuress and a murderess continued today by the state in presentation of testimony in her trial on the charge of murdering Jake Hamon.

Jerry Foster, garage man, was the first witness for the state when court opened today.

He said he had seen Clara Hamon toting a gun several times in the last year.

Foster said he saw Clara the day after Hamon was shot.

He declared Clara's hands and throat were not scarred, as the defense maintains, the result of Hamon's alleged abuse.

Judge Champion is going to recess court at 3 p. m. today until Monday, he announced.

Pays Clara's Garage Bill

Foster testified that Hamon always paid Clara's garage bill.

Under cross-examination by "Wild Bill" McLean, defense counsel, the witness did not recall whether the bills contracted by Clara before Jake died had been paid by the Hamon estate.

'TIS TRUE FOR YE!

"How do you like your second-hand auto?"

"Oh, it's all right as far as it goes."

Doctor Aged 100 Is Still Active In Work

PUYALLUP, Wash.—Dr. Lemuel I. North of Puyallup, who says he may be the oldest practicing physician in the nation, recently celebrated his one hundredth anniversary. The week he was 100 years old he called on 33 patients and he gives medical advice regularly to numerous residents.

Dr. North walks an average of 10 miles a day. He believes an abundance of exercise is responsible for his good health. Until recently he owned and conducted a drug store in Tacoma in addition to his practice here.

The doctor was born in Lee county, Iowa, in February, 1821, and graduated from Cambridge university, England. He served in the 1st Iowa infantry in the civil war.

In 1908, while visiting in Iowa, Dr. North relates, he learned that a prize of 160 acres of land was offered at a pioneers' celebration for the person who could show he was the first white child born in the state. He won the prize and still owns the land.

MEXICO AWAITS RECOGNITION

MEXICO CITY — Mexico will appoint no ambassador to the United States until recognition is tendered by the American government. A statement to this effect was made recently by the foreign office.

LOCAL ELKS WILL PLAY GAME AT SAN FERNANDO

LODGE TEAM WILL ATTEMPT TO BREAK UP WINNING HABIT OF OPPONENTS

The Glendale Elks' baseball team is going to journey to San Fernando tomorrow, if the weather permits, and get acquainted with the Missionaries in a fast game of the national sport.

The San Fernando team has been playing on its own lot for so many years and is so well acquainted with it that it has the little pill trained.

The Elks are sending their herd out there tomorrow in hopes of breaking up the habitual winning streak and explaining a few points of the game to them.

The Glendale team has been fortunate in obtaining the services of Frank P. Holborow, well known Southern California athlete, who is also coach for the Los Angeles Athletic club and Metro studios, to hold down the second sack.

NEW RECORD IN THEFT OF AUTOS

AUTOMOBILE CLUB DECLARES OWNERS SHOULD BE ON GUARD ALL TIME

Judging by reports received in Glendale from the theft bureau of the Automobile Club of Southern California, the auto thief is being thawed out by the coming of spring and will be very active soon if the automobile owner doesn't watch out.

According to club officials there were 456 automobiles stolen in Los Angeles since January 1, and the theft of cars in other southern California cities has been in proportion. Los Angeles motorists lost 235 machines by theft last month alone. This breaks all records.

Of those cars stolen, 108 have never been seen since, representing a total loss to their owners of $110,000.

One bright ray of hope for motorists is found in the report that the automobile club's theft bureau arrested six alleged and active auto thieves in February. Five of these are held on grand larceny charges and their cases are pending.

Urged To Use Care

Motorists are urged to taxe extraordinary precautions during the remainder of this month here, during April and May, as these are the months when auto thieves plan to steal California cars and make their get-away to eastern points in them. Club detectives have learned that this is the case from their experiences during the last six years.

Automobile owners are strenuously advised to report at once the theft of an automobile, as even a few minutes' delay in making such a report is of material aid to the thief. It should not be necessary, say club officials, to advise motorists to lock their car when they are out of it for only a few minutes and that the best locks obtainable should be procured, also that private identification marks should be placed where only the owner is cognizant of their location.

Arrange To Co-operate In Patriotic Duties

WASHINGTON — The National Congress for the Co-ordination of Patriotic and Civic Work met here. Its announced object is the promotion of the movement started by the National Security league and the American Legion to bring about a co-operative arrangement among the various agencies engaged in this sort of work throughout the country.

According to the announcement practically every organization of importance in the country which has to do with so-called Americanization work is co-operating in the movement and will be represented.

The plan of co-ordination, which it is expected will result from the congress, has been worked out by a national committee created at the first meeting called by the National Security league and the American Legion in this city on December 1, 1920.

CLEANING SIGHT FEED GLASS

An excellent way of cleaning the glasses of sight feed lubricators without dismounting is to take a redhot poker and hold it near the glasses. This will melt the solidified oil on the glasses and permit the oil drip to be seen again. Another way is to have a piece of twisted wire connected on the end of the drip nozzle inside the glass of the lubricator. The oil runs slowly down the spiral path and is prevented from splashing over the glass and obscuring the view.

MORE EVIDENCE OF CITY'S GROWTH

J. H. FRENCH TELLS OF TWO YEARS AGO; COMPARISON MADE WITH PRESENT

Talk about prosperity—here's the real thing along auto row.

Bartlett & French, Chandler and Cleveland dealers, carry a complete line of accessories and oils.

Two years ago when they established their showrooms and service station at Brand boulevard and Harvard street, J. H. French says, "you could shoot a cannon-ball up Brand boulevard at 9 o'clock at night and not hit a person, with the exception of a few attending the theatre, maybe."

"Now, it is different," he added, explaining why they are going to keep their oil service and accessories department open until 10 o'clock each night.

"There are scores of motorists on the streets until 11 o'clock, he said. All of which makes business good.

EXPECT SHORTAGE OF AUTOS SOON

UPWARD TURN OF MARKET TO CAUSE WAITING LIST, IS BELIEF W. A. TANNER

The upward turn taken by automobile sales this month, according to W. A. Tanner, of Tanner & Hall, Buick agents, will mean shortage of cars within a very few days. He says that this shortage will be noticeable within ten days on some models and by the first of May he expects to have a long waiting list for the five-passenger model.

To illustrate the demand now evidenced for motor cars, there have been four Buicks sold since the first of March. This indicates that the financial crisis earlier in the year is safely passed and people are displaying their confidence by investing in pleasure and business cars for summer use.

USED CAR SALE FOR NEXT WEEK

PACKER & WHITE TO DISPLAY MANY CARS AT REGULAR BARGAIN PRICES

Packer & White Auto company, 245 South Brand boulevard, are going to hold a used car sale next week which should attract buyers of cars at economical prices. There are a great many models at bargain prices on display on the lot adjoining their Studebaker garage and those contemplating such purchases should inspect the cars.

A carload of Studebaker light six touring cars are expected this week by the Packer & White company and this arrival will enable them to make deliveries at once.

BRITAIN TAXES 'EM, TOO

The British government plans to realize $34,000,000 from the recently proposed horsepower taxes, to cover the expense of constructing and maintaining highways in the United Kingdom.

Under the Federal road aid act, approximately $2,000,000 will be spent by the New England states on their highways during the coming spring.

SACRIFICE USED CAR SALE

One Week Only

GASOLINE SUPPLY SEEMS PLENTIFUL

MOTORISTS NEED NOT MAKE SHORTER VACATION TOUR, SAYS CLUB OFFICIAL

Motorists need not plan to curb the length of their summer vacation tours because of the fear of an inadequate gasoline supply, according to present appearances, unless the summer demand is of unsual proportions.

There will be no reduction in the price of cars in this section for some time to come. Word to this effect was issued yesterday by Stafford Harlow, representative of the Automobile Club of Southern California, following a similar announcement just made in Los Angeles by S. L. Mitchell, secretary of the organization.

Relative to the immediate future supply of gasoline, Mr. Harlow says: "In regard to the price and supply of gasoline for the summer months, we can only say that in our opinion it is the same old question of supply and demand. We cannot anticipate a reduction in price as long as the rapid growing use of motor vehicles increases the proportionate demand for gasoline.

"Motorists of California use 30,000,000 gallons of gasoline a month, therefore, an increase of even one cent a gallon would throw an extra financial burden of $300,000 a month, or $10,000 a day, on the motoring public. From authentic sources we are told that there will not be a shortage of gasoline in the state this year, therefore, there can be no reason for an increase in price."

Rapidly Stabilizing Itself

Club officials yesterday pointed out that the local motor car industry is constantly and rapidly stabilizing itself and at this time it is safe to say that it was never in better condition. This section is the center of an industrial community which is very highly motorized.

This highly motorized condition of a large area produces a perpetual market for its municipal centers which is active during the entire year. In the east the market is really active only in those seasons when the roads are available, which will be very soon. Therefore, the eastern market will absorb a large part of the present output of cars.

I Must Sell My Home

It's a dandy six-room modern bungalow on large lot on a fine residence street with wonderful mountain view. It is completely furnished and is a first-class home, all ready to move into. Everything is in splendid condition inside and out. I must dispose of this property this week and in order to do so I am sacrificing it at

$6,500

If you see the house you will want it—it's yours for a small payment down and you can move in at once. Everything is ready for you. You can easily handle terms.

An ideal home or a splendid investment.
Property will rent for $100 a month.

BATTERY LIFTER

An admirable lifter for use in raising the battery out of the car may be made by having what are known as harness snaps riveted on the ends of a leather strap, perhaps an inch wide and a little longer than the battery. When this is snapped into place it makes a convenient handle for jugggling the battery around.

WHEN THE WHEELS SPIN

When the rear wheels are in a muddy spot do not try to drive the car by spinning them. The slower the wheels turn the better the chance of gripping the surface. If the car can be rocked, alternately engaging and disengaging the clutch, it will be found that the pendulum action of the car will carry it out of almost any bad spot.

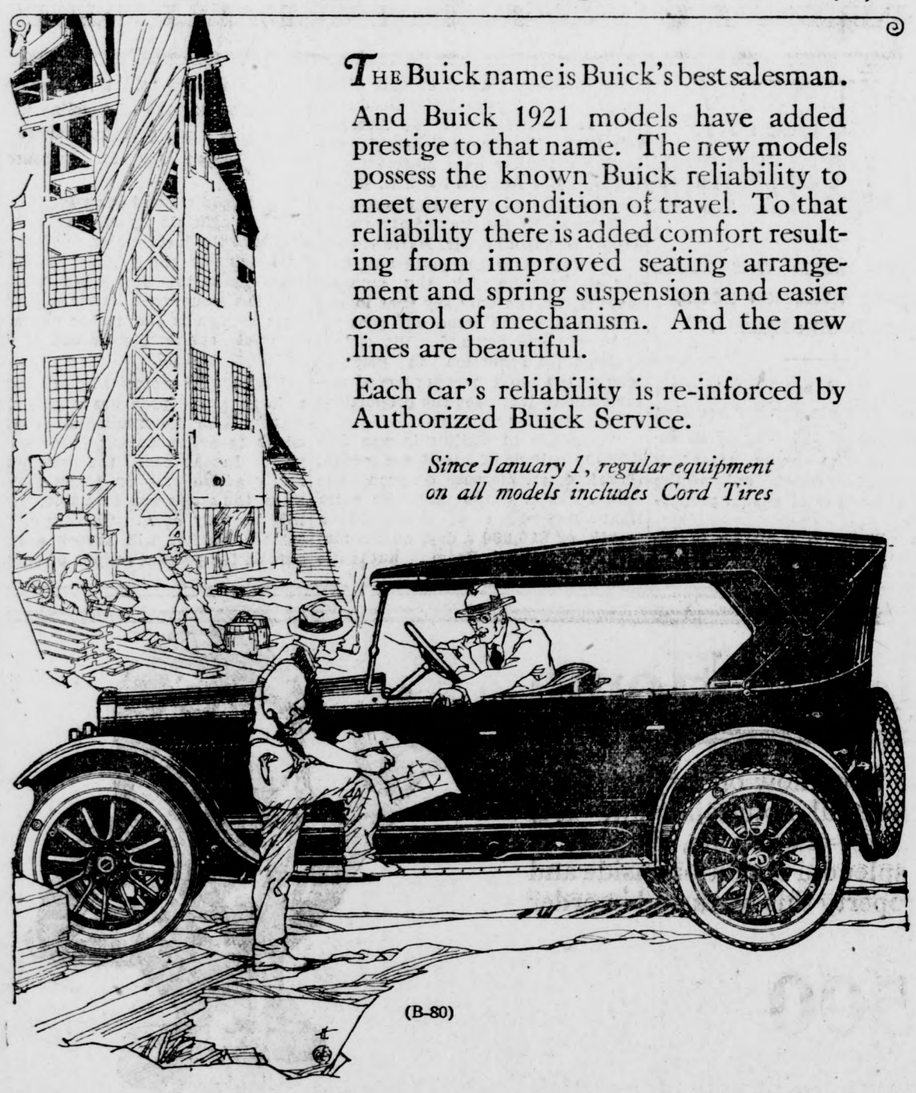
TIGHTEN LOOSE BOLTS

In many cars loosening of the engine bolts, those which hold the engine in place, may cause misalignment of the power plant and serious trouble will be the result. If there is even a slight looseness of the bolts it may permit the motor support to hammer and pound and in time the supporting arm may actually be fractured.

AUTHORIZED Buick SERVICE Emblem of Satisfaction

BUICK

AUTHORIZED Buick SERVICE Emblem of Satisfaction



THE Buick name is Buick's best salesman.

And Buick 1921 models have added prestige to that name. The new models possess the known Buick reliability to meet every condition of travel. To that reliability there is added comfort resulting from improved seating arrangement and spring suspension and easier control of mechanism. And the new lines are beautiful.

Each car's reliability is re-inforced by Authorized Buick Service.

Since January 1, regular equipment on all models includes Cord Tires

TANNER & HALL, Ltd.

WHEN BETTER AUTOMOBILES ARE BUILT, BUICK WILL BUILD THEM

BUSINESS BOUGHT BY TWO EXPERTS

H. M. PARKER AND P. A. BLACK OWNERS OF AUTOLECTRIC SERVICE COMPANY

Glendale motorists will be interested in the announcement of the sale of the Autolectric Service company, handling the Exide battery, 113 West Harvard street, to H. M. Parker and P. A. Black, battery and ignition men who are recent comers to Glendale with high recommendations as to their experience and ability.

A. S. Knox established the Autolectric Service company a few years ago and has built up a good business. Mr. Parker and Mr. Black will give their entire attention to their business and have also retained the services of Mr. Knox.

The plant is well equipped with up-to-date machinery and with experienced battery men and automobile electricians on the job, and battery work increasing as the city grows and more automobiles are purchased, there seems to be bright prospects for the new firm.

READ, THEN THINK ON THIS PO-HEM

WHEN YOU THINK OF THIS, IT WILL RECALL MEMORIES OF—BUT READ ON

When, in the course of human events, it becomes necessary to think, it might be well to think well.

Think over that a moment, then think of this:

When you think of Pullman, you think of Sleep,
When you think of Armour, you think of Sheep.
Think of Herman Nelson, and you think of Money,
Then think of Charlie Chaplin, and you'll think of something funny.
And, as all these wheels go round and round,
Where all great thinks are stored,
Just think of Jesse Smith once without
Thinking of a Ford.

REPAIR SHOP AND GARAGE SUCCESS

EDDIE WINFIELD AND SAM DURAND ARE KEPT BUSY WITH MUCH WORK

"Nothing succeeds like success," and "Keep your shop and it will keep you," are among Benjamin Franklin's sayings.

But they exactly illustrate the case of Eddie Winfield and Sam Durand, who conduct a garage and repair shop at 314 East Broadway.

Since they opened their place of business with a complete new equipment for all sorts of repair and lathe work, they have not had an idle moment or a complaint against their work.

The reason for this is simple. Both Mr. Durand and Mr. Winfield are expert auto mechanics and they personally do the overhauling and rebuilding of the cars brought to them. Among the many jobs they have satisfactorily done since September there have been cars from San Francisco to San Diego.

Eddie and Sam devote their entire time to giving a complete service and thereby "adding years to the life of your run-down motorcars."

Spends 38 Out Of 56 Years In Prison

BELLEFONTE, Pa. — Completing a two-year sentence in the Western penitentiary at Pittsburg recently, William D. Hall has been brought back to Centre county to answer to the charge of escaping from the new Western penitentiary at Rockview two years ago. Hall, originally sent up from Blair county for one to three years for larceny, served only a portion of his sentence when he walked away from the Rockview institution and later shot at a guard and fled to the mountains.

He next shot at a policeman in Altoona and was sent to the penitentiary for two years.

Hall is now 56 years old and thirty-eight years of that time has been spent behind prison bars. While he has at least a few more years ahead of him, if the authorities decide to push all the charges they have against him, he can be sent up for thirty years, which would be practically for life.

Because of the mild winter, gasoline consumption increased in the northern states 150 per cent and in many cities 400 and 500 per cent, no region showing less than 90 per cent increase.

DOROTHY GISH IN ROLLICKING STORY

PEPPERY YOUNG STAR APPEARS AS FEATURE AT PALACE GRAND FOR TONIGHT

Husbands! If you want to hold your wives, keep their feet on the ground.

That's the moral, if any, of Dorothy Gish's new picture, "Flying Pat," which opened today for today only at the Palace Grand theatre. Peppery Dorothy is at her mirth-provoking best in a rollicking story of young married life. She scampers in and out of airplanes, crashes out of the sky into an apple tree, and finally is reconciled to her distrait husband out in the kitchen, where, unbeknown to him, she has taken a job as cook.

Miss Gish is the "Pat" of the title. Having married an ex-aviator and being told by him that she is to seek a "career," it is natural that she conceives an ambition to be the champion lady airplane-tamer. Of course, when hubby mentioned "career," he wasn't thinking of flying and the handsome captain who so kindly offered to teach Pat the finer points of volplaning. So there are complications that finally lead the bride to a teary exodus from her husband's roof. But the world proves cold and the men over-flirtatious, so she comes back—but not to the parlor. She stops at the kitchen, where she supplants a cook who has just resigned. There she listens in on the consultations which her frantic husband is having with the detectives who are searching for her.

They Actually Marry

James Rennie, in the role of the husband, fell so in love with the part, that he and Miss Gish actually got married after the picture was finished. Some picture. "Edgar Takes the Cake" is a two-reel Booth Tarkington "kid" film that makes the bill exceptional for Saturday only.

Tomorrow "A Connecticut Yankee"—the finest photoplay the Palace Grand has ever presented—starts a three-day run. It is Mark Twain's story and a William Fox production.

SUCCESSFUL HILL CLIMBING

The success of easy hill climbing depends upon keeping the engine running smoothly and a little faster than what possibly may be needed. A good start and shifting into a lower gear a trifle before the time it is absolutely necessary will maintain a constant speed at which the engine will not labor or knock, and will prepare it for extra work, such as sudden rises or rough spots in the road, when the time occurs.

As a result of automotive transportation in California, no fresh meat is handled by rail out of Los Angeles within 135 miles of that city. No milk or dairy products come into the city by rail within the same distance.

ELDERS OF CHURCH AND WIVES ARE ENTERTAINED

MR. AND MRS. M. P. HARRISON ARE HOSTS; REV. EDMONDS TO TALK ON BONDS

The elders of the First Presbyterian church and their wives were entertained Thursday night at the home of Mr. and Mrs. M. P. Harrison, Sixth and Grand View avenues.

Those present were Rev. and Mrs. W. E. Edmonds, Rev. L. Tinning, Mr. and Mrs. J. E. Colvin, Mr. and Mrs. J. R. Baker, Mr. and Mrs. W. G. Boyd, Mr. and Mrs. R. P. Isitt, Mr. and Mrs. H. L. Finlay, Mr. and Mrs. J. A. Newton, Mrs. George L. Lemon, Mrs. W. J. Clendenin, Dr. Laura Brown, Mr. and Mrs. M. P. Harrison and Miss Inez Harrison.

A social evening was enjoyed. Games were played and elaborate refreshments served by the hostess. Sweet peas and other spring flowers were used as decorations.

M. L. Godfrey to Speak

M. L. Godfrey, one of the most prominent business men of Los Angeles, is to speak at the 11 o'clock morning service at the First Methodist church tomorrow. His topic will be "Tithing."

Rev. Edmonds to Talk Bonds

Rev. W. E. Edmonds, of the First Presbyterian church, has chosen a very timely topic on which he will speak tomorrow night. He will give some facts about the school election, new charter and civic center.

PROGRAM IS READY FOR FATHER AND SON BANQUET

NUMBER OF TOASTS WILL BE GIVEN; MAJOR BROWN TO BE CHIEF SPEAKER

Fred Stofft, president of one of the Glendale Hi-Y units, in referring to the coming Father and Son banquet next Tuesday night at the First Methodist church, said:

"Everything is all set for a big evening. It was the original plan of the boys when the banquet was first suggested to supply at least fifty boys with fathers for that evening, who had lost their own dads, and this has been done faithfully, so it only remains to get a few more fathers and sons together."

Yesterday a number of posters which had been painted by some of the high school girls were put up in the down-town stores. The members of the Hi-Y have taken full charge of the arrangements and program.

List of Toasts Announced

The following list of toasts has been announced, the toastmaster being G. Edwin Murphy, leader of one of the Hi-Y units:

"Our Dads," Dale Wood, Glendale Hi-Y club.

"Team Work for Father and Son," A. L. Ferguson, vice-principal Glendale Union High school.

"Father, Through a Boy's Specks," Lyle McAlister, president Glendale Intermediate Y Group.

"What a Son Expects from His Father," Paul Edmonds, Glendale Hi-Y club.

"The Greatest Profession—That of Being a Father," by Dr. John Brown, Jr., senior secretary of the physical department of the international committee Y. M. C. A., and for the past year a major in the Canadian army in France.

REAL PROSPERITY BEING PREDICTED

GREAT MERCHANT SAYS THAT WHOLE WORLD WILL GET PLENTY OF BUSINESS

NEW YORK—The old world is sobering up after an economic "jag" and will soon take a pledge that will result in the greatest era of business health in its history, Harry Gordon Selfridge told the United Press today.

Selfridge, who is American-born and trained, is proprietor of the biggest wholesale and retail merchandise concern in London. He is on his first visit to this country in three years.

Settlement of the German reparations tangle and resumption of trade relations with Russia will be brought about soon, in his opinion and this will remove the last obstacles to complete economic sobriety.

"Business conditions in England can be described as healthy," the gray-haired merchant said.

An attachment to an electric meter will allow the user to purchase a quarter's worth of electric current at a time.

PLAN ATTACK ON BUDGET PROJECT

STATE BOARD OF CONTROL TO FIGHT SUGGESTIONS MADE BY MAX PHELAN

SACRAMENTO, March 12.—Clyde L. Seavey, member of the state board of control, will open the attack upon Max Thelen's budget proposals Monday. The program agreed upon is for Seavey to make a general outline of the case, and then attack item by item, backed up by representatives of departments and commissions.

The attack is expected to last for several days.

All was not smooth sailing for Thelen even yesterday.

He suggested that an item, providing for the care of the inmates of one hospital, could be included in the governor's bond issue.

"Have you stopped to think what would happen if this bond issue should fail to pass?" demanded Senator W. E. Duncan.

Asked to Explain

"I could not conceive of such a situation," replied Thelen.

Senator E. S. Rigdon asked Thelen to explain the statements of him "and his employer," Paul Shoup.

Shoup told the senate, Rigdon said, that despite the fact that a falling market was expected, the railroads could not expect any surcease of high prices, while Thelen, on the other hand, was cutting the budget on the full expectation of such reductions.

Thelen said he was not familiar with what Shoup said, but he declared that falling prices would not affect railroads as much as it would public institutions.

The ancient Babylonian women painted their cheeks and penciled their eyebrows, according to scientists who investigated the ruins of the ancient dwellings of the period and found vases showing women in the act of painting.

A Roman battle standard and a Roman general's folding camp chair, antiquities dug up in Essex a century ago, two of Great Britain's most ancient military trophies, were recently sold at a London auction room for two hundred pounds.

Applications for marriage licenses in Nebraska must rest in the office of the county judge fifteen days before being granted and guardians or parents must be notified by registered letter according to the terms of a bill submitted in the state senate.

A timepiece set in a finger ring is the latest innovation. It is so small that a glove can be put on over it easily.

Beauty Specialists Open Business Here

The Glendale Shampoo parlors at 103-A North Brand boulevard have been sold to Mrs. C. Salisbury and Mrs. M. McCord, who take possession Monday and will remodel, adding new equipment and additional booths. The name will be changed to the Glendale Beauty Shoppe. Mrs. Salisbury and Mrs. McCord are specialists in scalp and skin treatments, the latter having just returned from New York City where she was engaged extensively in this kind of work.

Scores of families left their homes in Bilbao, Spain, taking their furniture and live stock with them when a steamer with one hundred tons of dynamite on board stranded off the town. Notwithstanding the high wages offered, laborers were afraid to go aboard the vessel and it was necessary to summon workmen from an explosive factory to bring the dynamite ashore.

L. E. LAMPTON, County Clerk.

By H. H. DOYLE, Deputy.

JAMES F. McBRYDE, Attorney for Petitioner, 103A Brand Boulevard, Glendale, California. 161t11

Notice of Public Work

Public Notice is hereby given that the Board of Trustees of the City of Glendale on the 3rd day of March, 1921, did at its meeting on said day adopt a Resolution of Intention No. 1167, to order the following improvement to be made on a portion of

BARBARA DRIVE

SECTION 1. That the public interest and convenience require and it is the intention of the Board of Trustees of the City of Glendale to close up, vacate, and abandon for street and alley purposes that portion of Barbara Drive situated in the Selvas de Verdugo, as per map recorded in Book 37, Pages 77 to 83 of Maps, Records of Los Angeles County, more particularly described as follows, to-wit:

All that portion of Barbara Drive as shown on map of said Selvas de Verdugo extending from the southerly line of Opechee Way (said southerly line for the purpose of this description being considered as parallel to and thirty (30) feet southerly from the southerly line of Block 14, of said Selvas de Verdugo) to the northerly prolongation across Barbara Drive of the easterly line of Lot 14, Block 10, of the said Selvas de Verdugo.

The district to be assessed to pay the damages, costs and expenses for the described improvement is described in and reference is hereby made to Resolution No. 1167 for further particulars of said work.

T. W. WATSON,
City Manager and Ex-Officio Street Superintendent of the City of Glendale.

MANY REASONS ARE GIVEN WHY CITY IS ADVANCING

FITTEST SURVIVES IN NATURE AND THIS HOLDS TRUE OF CITIES, SAYS WRITER

Plenty of reasons are given by B. R. Parker, 308 West Avenue 55, Los Angeles, as to why Glendale continues to grow and is prosperous. His letter follows:

Why has Glendale grown? Why will it continue to grow?

It has grown and will continue to grow because the fittest survives in nature. So it does in cities. The fittest things in southern California are found in and near Glendale. They are as follows:

Clear refreshing air, good pure water and plenty of it; the finest boulevard (Brand) in regards to width, length, lighting and pavement; attractive homes, both palatial and simple, surrounded by well-kept lawns, flowers and trees, good schools, excellent teachers, many churches whose pastors are alert to the questions and needs of the day; progressive business men; skillful physicians; widely-known sanitariums; a population which has a very low percentage of foreign birth; attractive paved boulevards leading to Los Angeles, the beach, mountains and desert; an altitude which is a happy medium between seacoast and mountain; proximity yet separated from Los Angeles; good car service; nearness to fresh fruit and vegetable markets; strong lodges; an up-to-date library, clean, new business blocks; a beautiful cemetery which strangers might take for a park; men of big business affairs who are proud of Glendale and greatly interested in all its affairs; educated, charming women whose names are known over the state as leaders in club work; a horizon outlook that is ever changing as the sun shines upon the foothills or drops below the Hollywood hills; and from an investor's viewpoint the city is second to none in comparison to its size.

The sum of $100,000 in building permits last week is certain proof that a person who misses buying property or lots in or adjacent to Glendale misses the opportunity of a lifetime.

Glendale is knocking at your door. Bid it enter or regrets will follow.

EXPECTED FEED

Tampering with signs has long been a favorite amusement with young people. To remove the fourth letter from "manicure," for example, so that it reads "man cure," tickles their sense of humor. The latest case heard of is where a little boy at a public gathering was greatly disappointed because no refreshments were served. He insisted to his mother that a feed was promised, and as they passed the bulletin board in going out he pointed out that promise. Some mischievous urchin had removed the "S" from "Seats free."

GIVES FIVE POINTS FOR PROSPERITY OF THIS CITY

CLIMATE, WATER, LOCATION, DRAINAGE, ALSO NUMBER OF ORGANIZATIONS

W. B. Kirk, the insuranee man, submits the following on prosperous Glendale:

To one who has lived in this beautiful spot for twelve years, the marvel is that the world has been so tardy in waking up to its wonderful advantages.

Granted that Los Angeles and vicinity is the garden spot of the United States, the supreme question to the newcomer is, "Where can we live in easy access to the business life of this great city and also enjoy the advantages of suburban residence, without sacrificing the educational, religious and social needs of our family?" Fulfilling this desire more adequately than any other suburban section. Glendale's present and future prosperity is absolutely assured. The reasons:

1—Climate: The foothills to the north protect against the winds which sometimes sweep the larger valley, yet do not obstruct the ocean breezes which commingle with the delightful mountain air and give us a temperature and climate absolutely unequaled.

2—Water: Acknowledged to be the softest and best in southern California. Municipally owned and at low, mutual rates.

3—Distance and Accessibility: The service of the Pacific Electric is conceded to be the best offered to any section of equal population, and the new boulevard through the Ivanhoe hills gives an ingress and egress unrivaled and soon to be even more so by the opening of the Second street tunnel.

4—Drainage and Soil: The former perfect and the latter light and easily cultivated—the envy of those sections where clay and adobe abounds.

5—School, Churches, Social Organizations: To anybody who knows, where can their equal be found? Add to these prime things, the character of its people, its splendid local business district, its banks, newspapers and mercantile houses—its fine streets and public-spiritedness and the secret of Glendale's prosperity becomes an open book.

Permission To Remove Curbing Is Allowed

On motion of Trustee Lapham, seconded by Trustee Henry. the Board of City Trustees, in session Thursday night, acted favorably on the following recommendation of T. W. Watson, city manager:

"In regard to the application of D. E. Cornalino for permission to remove twenty-five feet of curbing on Grand View avenue and four eucalyptus trees on San Fernando Road as shown on plot attached to such application which was referred to us March 3 for investigation and report, we would respectfully recommend that the permission be granted both to remove the curb and the four eucalyptus trees. The curb he desires to remove is located at what will be the junction of Patterson avenue with Grand View avenue and San Fernando Road and will ultimately have to be removed when Patterson avenue is opened."

WHY HENS RUN AWAY

"What's that hen making all the fuss about?"

"She's just laid an egg."

"But what's she running for?"

"She's trying to beat it."

Automobile Plays Prominent Part In Prosperity Of Glendale And All South

Glendale's prosperity is due to many persons, things and conditions, but perhaps no one thing has contributed as largely to it as the automobile.

Glendale without the pleasure car, the delivery truck, the big transfer truck is almost unthinkable. The handicap to business and the halting of all forms of progress, were every automobile in Glendale to stop running tonight, could not be imagined.

Neither can the benefit that has resulted from the use of the automobile and truck be estimated.

The automobile has brought magnificent paved highways famed throughout the United States, to southern California. These splendid roads have in their turn attracted visitors and permanent residents here from every part of the country and from abroad.

Many people are living here because they can use a car the year around and because the automobile brings within reach so many places of interest.

The building industry has been a great factor in Glendale's development and progress and in turn the automobile has been of untold benefit to building.

Hauling of material by auto truck has greatly facilitated the work of building.

Hundreds of people are finding employment in Glendale through its eleven automobile sales agencies, its many repair garages, battery stations and all industries allied to the sale and use of the automobile.

We owe a big debt to the automobile from the Ford to the largest limousine and the most powerful truck.

PERFECT CITY HERE AND GROWTH CAN NOT BE HALTED

DREAM HAS COME TRUE AND GLENDALE IS ALL THAT IS SATISFYING

W. R. Phelon, 216 East Windsor Road, presents the following on Glendale's growth:

Why does Glendale grow? Why flares the sunsets' gold against the white-capped mountains, or glows the crimson of the poppy 'midst the green-encircling hills? Whence comes the glory of the sun god's morning pageant? What draws night's sable curtain as he sinks in western seas? What master of musicians gave the music to the song birds? What artist's hand has tinted leaves of roses, blades of grass, given the orange its golden glory, and the peach its blush of pink?

The master mind of the infinite, God of the natural realm, who dreamed of a city that is perfect, and willed that the dream come true, and they called the city Glendale, loved by gods, adored by men, encircled by green-clad hills, backed by cloud-capped mountains eternal guardian of her fertile valley, cooled by ocean-scented breeze, fertile valleys garden of the gods lay at her feet, she rests content amidst the everlasting hills, the weary workers of the cities' midst gazes at blue of distant hills and thinks of peace, of rest, of Glendale, as the mighty god of nature forces the blade from the tiny seed, draws the tides of ocean's vastness from east to western shores, so he draws the weary wanderer to the city of his dreams.

Why grows Glendale? Why grows the grass or blooms the rose? Why sings the bird, or flows the sparkling brook to sea? No need of man to make her grow, nor power of man to stop her growth, as well pit his puny powers against the roaring tides and say to them "Be still."

WHERE HE COULD GO

A man "butted in" at a waiting line before the railroad ticket window at New York, and the men who were in a hurry glowered.

"I want a ticket for Boston," said the man, and he put fifty cents under the wicket.

"You can't go to Boston for fifty cents," returned the ticket seller.

"Well, then," asked the man, "where can I go for fifty cents?"

And each of the fourteen men in that waiting line told him where he could go.

FOUR REASONS FOR GROWTH OF CITY ARE ADVANCED

IDEAL CLIMATE, SITUATION, FERTILITY OF SOIL AND COMMERCE CHAMBER

Stella Cresson, 107 South Isabel street, submits the following regarding Glendale:

Why should Glendale be an attractive city for people to live in?

First—Its perfectly ideal climate.

Second — Its situation, nestled among the hills, and close proximity to a large city.

Third—Its abundant expanse of land and fertility of soil.

Fourth—Its organization of men, constituting "The Chamber of Commerce," whose aim it is to transform this city into an ideal place.

DIFFERENT ANIMAL

Miss Burden—"I overheard that dear young man telling you I danced like a zephyr."

Miss Bright—"Zephyr? He said 'Heifer.'"

Small mines isolated from the outside world are often forced to close down by reason of breakage of machinery and difficulty in getting repairs. In the Sierras airplane service has been used to transport parts and is proving successful for that purpose.

HAPPY PEOPLE ARE FOUND AT PEACE IN GLENDALE

HERE RAINBOW HAS ENDING; HERE POT OR GOLD IS WAITING FOR ALL

With apologies to H. W. Longfellow, Miss Roberta B. Hopping, 310 North Jackson, submits the following on "Glendale's Prosperity:"

GLENDALE'S PROSPERITY

Should you ask me where I found it
Found the home of Happy People
Found the church bells ringing sweetly
Found the children glad and joyous,
I should answer, I should tell you—
Far beyond the Rocky mountains
Near the shores of the Pacific
Sheltered by the high Sierras
Watched and guarded by the Father.
Here I found the Happy People,
Prosperous families and contented,
Found the homes where love and beauty
Reigned supreme and brought the sunshine
Glendale is the place I tell of,
Glendale, city of casitas,
Warmed by Pheobus, always watchful,
Kissed by breath from Old Pacific.
In the morning when it wakens
Birds are singing in the treetops,
Children scamper to their studies,
Fathers find their place of labor,
Loyal housewives do their duties
In this peaceful home, and happy.
In the evening when fair Venus
Dances o'er the fiery sunset
Glendale fathers home returning
Sigh and smile, and speak in this wise
"Glad am I that here in Glendale
With my wife and little family
I have builded me a shelter."
Close unto the happy home site
Settled closer to the seashore
With its great arms stretching outward
Lies the City of the Angels,
Car-lines made for man's own comfort
Made to bring him to his business
Run their paths in all directions,
Surely God is with this people,
Surely 'tis His hand which leads them.
It is hard for me to say this
Hard for me to find the language
Which will best disclose this beauty.
But in closing I should tell you
If this way you chance to wander
Turn your eyes toward Mt. Verdugo
Stop and rest you in fair Glendale
Here the rainbow has its ending
Here the pot of gold awaits you.

GLENDALE CITY FOR HOME, HAPPINESS AND HEALTH

J. N. OLMSTEAD, WHO WILL BE 85 ON MAY 1, DECLARES CITY HAS EVERYTHING

J. N. Olmstead, 364 West Colorado avenue, who writes that he will be 85 if alive on May 1, has the following to say on Glendale's prosperity:

Why Glendale has grown, in percentage, more than any city in California, and will continue to prosper.

Glendale is located on a wide plateau, in the beautiful San Fernando valley, bounded on all sides by the mountain foothills. Like "Jerusalem of old, the joy of all who visit it."

It has a rich loam soil, with sandy, gravelly sub-soil, an abundant supply of pure water, no stagnant pools to breed malaria and mosquitoes. Six hundred feet above sea level, it has cool breezes in summer, and bright sunshine in winter. Wide, paved street and avenues, lined with palms and other choice shade trees, the nesting place of mocking and other song birds, who give an unrivaled morning chorus of song. Many nearby canyons are fine for auto trips.

It is the center of citrus and other fruit trees. All varieties of vegetables are brought in fresh daily, at low prices. The stores of all kinds meet the competition of the city. The population largely native American. Churches of all the large sects are full. The schools, from kindergarten to high school, the equal of any in the United States.

A fine interurban car service, with a seven-cent fare for individual monthly tickets. Banks sound, with ample funds to meet the needs of business men. The Battle Creek and U. S. hospital for invalid soldiers, located here, are large and up to date in equipment.

Two daily newspapers are clean and ably edited. A woman's literary club with over two hundred members, and many reading circles, make it a literary hub.

Large building lots, at fair prices, that will increase in value. An ideal city for home, health, and happiness. All good citizens will be welcome.

WELL, IT LOOKED ALL RIGHT

Manager—"I had to fire that patent-leather haired clerk."

Floor Walker—"Why?"

"A red-headed man came in and asked for hair oil——"

"Yes——"

"And that boob gave him a bottle of russet shoe polish."

Rules For Prosperity Week Letter Contest

In The Glendale Evening News' Prosperity Week $50 prize letter writing contest which is now open, the following rules will apply:

Subject—Glendale's Prosperity. Emphasize why and how this city outranks all others of its size in building and in business. Outline the advantages of living here. Or use statistical facts to reveal the growth of Glendale to a greater degree the figures heretofore have shown.

Rule 1—Do not write less than 200 words nor more than 300 words on the subject. Brevity lends weight to all argument.

Rule 2—Write on one side of the paper only. Write legibly. Otherwise the letters will not be considered.

Rule 3—Address all letters to Prosperity Editor, Glendale Evening News, Glendale, Calif.

Rule 4—No employe of The Glendale Evening News is eligible to compete.

Rule 5—Judging will be done by a committee of three absolutely neutral persons selected for their high standing and lack of knowledge of contestants. Literary quality as well as argument presented will be taken into consideration.

Rule 6—Prizes will be awarded by the judges as follows: First selection, $25; second selection, $15; third selection, $10.

Rule 7—The contest closes Saturday, March 12, at 6 p. m.

Rule 8—Right to publication of all letters received is reserved by The Glendale Evening News.
